

HotPots Summer Camp 2018

\$225 plus tax

Camp is held Monday through Friday, 10-12:30 for children ages 6 and up. Daily snacks are provided, with an End-of-Camp pizza party on Friday. The children will complete a minimum of 5 projects with paints and techniques not offered to the general "walk-in" HotPots' customer. Projects will include 2 pottery projects, a canvas project, a fused glass project, and a clay project. Small classes and individual instruction ensure all projects will look like the samples. The projects are designed with the concept that the younger children can accomplish each project easily, while older children can take it to a more advanced level of design and execution.

Payment is due in full at the time of registration. All payments are nonrefundable.
